

Putting A Face On Remembrance

Families embrace every opportunity to honour and acknowledge their loved ones who have served or who are currently serving Canada. The Royal Canadian Legion and the Lest We Forget Concert Committee will create a power point presentation as a means for families to share photos and information of a committee selected eligible family member. If you would like to participate, send this information to the Cosmopolitan Music Society or drop it off at the CMS office. Email us a jpeg photo or drop off the photo itself along with the information you would like us to know about your family. All of your special memory pictures will be returned to you in the lobby the night of the concert. Or you can pick them up at the CMS office. Send this signed application no later than Monday, October 20, 2018. We have room for approximately 60 nominees. Printed booklets of the presentation are available for purchase in the lobby at the concert for a nominal fee.
